

Maths: We will be identifying and describing 2D and 3D shapes. We will be learning how to find a half and a quarter of different shapes and quantities.

PSHE: We will be exploring the Key Question: What helps us stay healthy?

RE: We will be looking at the religion Islam and exploring Religious Leaders.

Phonics: We will be learning all of the different spellings for the 'oe' and 'er' sound.

# Towers and Turrets

Design and Technology: We will be designing and creating a 3-d model of a castle. We will explore the key features of a castle such as the draw bridge and a moat.

History: We will be travelling back in time to the middle ages and learn all about William the Conqueror and the battle of Hastings.

Computing: We will be learning what algorithms are. We will be creating simple programs

Science: We will be identifying a range of materials such as rock, plastic, metal, wood and glass. We will be carrying out a range of tests to see which material is the best for different jobs.

P.E: Our topic will be Gymnastics - we will learn and understand how to perform basic movement skills and help others to improve their technique.

English: We will be writing the story 'The Paper Bag Princess' but we will be creating our own alternative ending. We will also be reading the story 'How to Catch a Dragon' and writing our own list of instructions.
